Access

Cleveland Clinic is committed to convenient access, offering virtual visits, shared medical appointments and walk-in urgent care.
clevelandclinic.org/access

Cleveland Clinic

- A multispecialty academic medical center founded in 1921
- Integrates clinical and hospital care with research and education
- Multisite healthcare delivery system with local, national and international reach

The Cleveland Clinic Model of Care

- Physician-led, multispecialty group practice with salaried staff and no incentives for extra tests or procedures
- All physicians are on one-year contracts, renewable after annual performance reviews

Mission, Vision, Values

- **Mission:** To provide better care of the sick, investigation into their problems and education of those who serve
- **Mantra:** Patients First
- **Motto:** To Act as a Unit
- **Values:** Quality, innovation, teamwork, service, compassion, integrity
- **Strategic goals:** Patients First, caregivers, affordability, growth, impact

Quality, Safety, Transparency

- Quality & Patient Safety oversees data-driven quality and safety improvement with relentless focus on monitoring, recording and reporting
- Full disclosure of physician-industry relationships
- First academic medical center to include patient comments and ratings of physicians online

Organization by Institute

- Patient care services delivered by patient-centered, integrated practice units called clinical and special expertise institutes
- Each clinical institute focuses on a specific organ system or disease area and combines medical and surgical specialists
- Emphasis on teamwork, collaboration, sharing of knowledge and resources

Administration

- Board of Governors (BOG) / Medical Executive Committee (MEC) is responsible for all professional and policy issues
- BOG/MEC members are physicians, elected by staff, and key administrators
- Board of Directors advised by community-based Board of Trustees

Cleveland Clinic Health System (CCHS)

MAIN HOSPITAL CAMPUS

- Tertiary care, 1,400 hospital beds, one-third intensive care
- 101 operating rooms, seven hybrid surgical suites
